Article 10A – Housing Code for Non-Owner Occupied Dwellings

The City of Mt. Vernon has completed writing the commentary on Article 10A – Housing Code for Non-Owner Occupied Dwellings. Copies of Article 10A with the commentary may be obtained at City Hall in the Building Inspection Department or can be found online at the home page of the City's website at www.mtvernon.com.

In addition to Article 10A, the Identification of Rental Dwelling form is also available at City Hall and on the City's website. The owner of any rental dwelling within the City limits of Mt. Vernon is required to complete this form and submit it to the City's Building Inspection Department before June 3, 2011.

Those rental properties that do not comply with the requirement to submit the Identification of Rental Dwelling form by June 3, 2011 will be in violation of the code and will be subject to fines and or water service termination. In addition, those rental properties that do not submit the Identification of Rental Dwelling Form by June 3, 2011 will be the first properties to be inspected when inspections begin in January 2012.

Any questions regarding interpretation or implementation of Article 10A may be directed to the City's Building Inspection Department at 242-6830.
