

ANNUAL BUDGET

2020-2021

**CITY OF MT. VERNON
ILLINOIS**

TO: The Honorable Mayor and Members of the City Council

FROM: Mary Ellen Bechtel, City Manager
Merle A. Hollmann, Director of Finance

DATE: April 20, 2020

RE: Fiscal Year 2020-2021 Budget

Attached is the proposed fiscal year 2020-2021 budget for your consideration. We prepare a budget for all our funds except the Police and Firefighters' Pension Funds. Our total City-wide budgeted expenditures for the fiscal year ending April 30, 2021 are \$56,816,337.

GENERAL FUNDS BUDGETARY HIGHLIGHTS:

The General Funds are made up of the General Corporate Fund and the Aquatic Zoo Fund. Together, they comprise the major operating fund of the City. We have separated the Aquatic Zoo Fund from the General Corporate Fund to more easily track its operating results and account for its accumulated surplus.

The General Corporate Fund is expected to end 2019-2020 with an operating surplus of \$1,286,419. even after an anticipated revenue loss of \$320,000 due to the COVID-19 virus. This surplus is attributable to operating revenues expected to be \$315,662 over budget and operating expenses expected to be \$910,862 under budget.

The General Corporate working fund balance for Operations projected at April 30, 2021 in this fund is \$5,458,602, with total expenditures for Operations projected at \$14,909,797. We have proposed a surplus in operations of \$133,560 in the General Corporate Fund for the year ended April 30, 2021. After this surplus, we expect to have 4.4 months' worth of operating expenditures in our operating working fund balance.

We have estimated our 1% State Sales Tax and our 1% Home Rule Sales Tax for 2020-2021 to be down 1% from the projected amounts for 2019-2020, with an additional estimated decrease due to the COVID virus of \$421,000. Sales Tax revenue is projected to be up for 2019-2020 1.6% from the previous year and Home Rule Sales Tax up 0.2%, before a decrease from COVID of \$69,000 and \$46,000 respectively.

2020-2021 will be the third full year since we raised the price of liquor licenses and video gaming licenses. We had no increase in our property taxes from the previous year, with the Council passing a 0.25% increase in our Home Rule Sales Tax, effective July 1, 2020, to subsidize the tax levy for the three pension funds of the City.

All City departments were required to have no increase in their 2020-2021 operating budgets from their 2019-2020 operating budgets, exclusive of payroll.

During 2019-2020, we had budgeted for three full time positions in General Corporate that were not filled and were not budgeted for 2020-2021. As far as part-time labor positions for 2019-2020, we only budgeted for four non-union part-time positions for nuisance enforcement, two part-time union positions in the Public Works department and two in the Parks department. For 2020-2021, we have budgeted for the four non-union positions for nuisance enforcement, four part-time union positions in the Public Works department and two in the Parks department.

As discussed more completely below, our self-insured health insurance rates were not increased on January 1, 2020 for the third year in a row. We have also budgeted for no increase on January 1, 2021.

General Corporate's repayment for labor and equipment from the Motor Fuel Tax Fund has been zero for three years and has also been budgeted at \$0 for 2020-2021. We hope to be able to continue this "no charge" in the future.

Our most recent six union contracts started on May 1, 2018 with all of them agreeing to a four-year contract with a 1% longevity raise and an additional 1.75% raise. We have assumed this same raise for our non-union employees.

The effects of the COVID virus are anticipated to reduce General Corporate revenues by \$320,000 for 2019-2020 and \$550,000 for 2020-2021.

The City manages the Aquatic Zoo with internal staff. This fund incurred an abnormal number of repairs and upkeep for 2018-2019 and continued that trend for 2019-2020 and is, consequently, projected to have a negative working fund balance of \$65,328 at April 30, 2021. It is showing a projected operating deficit for 2020-2021 of \$(67,107). 2020-2021 will be the seventh season of operations.

SPECIAL REVENUE FUNDS BUDGETARY HIGHLIGHTS:

The City has eleven “Special Revenue Funds” whose revenues are earmarked for specific purposes and are not to be used for general operating purposes.

Included in this class of funds is the Quality of Life/Economic Development Fund, which accounts for the 0.5% Home Rule Sales Tax started on July 1, 2012 and a portion of the 2012 General Obligation Bonds issued in October 2012. This fund is limited to expenditures that improve the quality of life of our citizens or provide economic development to our City. Approximately 55% of the 2012 General Obligation Bonds were allocated to this fund based on anticipated expenditures from this fund. We are projecting a total working fund balance at April 30, 2021, of \$313,047 in this fund, which includes a zero restricted working fund balance for the 2012 Bonds. We anticipate spending the remaining 2012 Bond proceeds by April 30, 2020.

General Corporate Capital Projects Fund is another Special Revenue Fund, created on May 1, 2012 to account for the 1% Food and Beverage Tax, 2 cents per gallon Diesel Fuel Tax, and the additional 1% Telecommunications Tax which have been restricted by the City Council to be used to finance capital and infrastructure expenditures and related debt service expenses. These restricted funds, in addition to occasional transfers from the General Corporate Fund, are used to pay the debt service on a portion of the 2010 and 2012 bonds, other loan debt service expenditures and various capital and infrastructure improvements and are projected to have a total working fund balance of \$16,098 at April 30, 2021. Also, the spend down of portions of the 2012 bond proceeds have been accounted for in this fund. In the Capital Projects Fund, we are proposing to spend a total of \$3.1 million for capital and infrastructure expenditures and related debt service expenses during 2020-2021. The City issued \$35,555,000 in general obligation bonds in October 2012, of which approximately 35% was allocated to the Capital Projects Fund with the remaining proceeds allocated to Quality of Life Fund and the Public Utilities Fund. All the 2012 Bond proceeds were spent from this fund by April 30, 2019.

Also included in the Special Revenue Funds is the Home Rule Sales Tax Fund, which was created to account for the 1% Home Rule Sales Tax that went into effect on January 1, 2018. The City Council restricted the use of this funding to expenses incurred for capital construction projects for the Water and Sewer Funds, capital vehicle and equipment purchases for all City Departments, capital expenditures for road construction or road maintenance, early retirement of existing indebtedness and nuisance abatement expenditures including demolition of dangerous and dilapidated structures. The working fund balance in this fund is projected to be \$2,290,245 at April 30, 2021. The City Council is considering borrowing \$6,700,000 in this fund with bonds for roadways in the City and has budgeted for that possibility 2020-2021. A total of \$8.9 million has been budgeted in this fund for equipment, capital and infrastructure expenditures in 2020-2021.

A new Special Revenue Fund, the Pension Sales Tax Fund, will be created for the 0.25% Home Rule Sales Tax that will go into effect on July 1, 2020. This sales tax will subsidize the property taxes levied for pension funds, including IMRF, FICA, Medicare, Police Pension and Firefighters' Pension. The working fund balance in this fund is projected to be \$328,686 at April 30, 2021.

The effects of the COVID virus are anticipated to reduce revenues of the Special Revenue Funds by \$195,000 for 2019-2020 and \$400,000 for 2020-2021.

The Special Revenue Funds are listed on the Special Revenue Funds Budget Summary in the front part of this budget. Three TIF (Tax Increment Financing) Funds are included in these funds. The working fund balance of all the Special Revenue Funds at April 30, 2021 is projected to be \$4,231,154.

PROPRIETARY FUNDS BUDGETARY HIGHLIGHTS:

The City has four “Proprietary Funds” whose operating expenses are intended to be funded by their operating revenues.

The Sanitation Fund records the revenues and expenses associated with garbage collection, recycling, yard waste pick-up and bulk trash pick-up. The monthly rates were changed to \$19.00 per month effective May 1, 2016 and will not be raised again on May 1, 2020. The working fund balance at April 30, 2021 is projected to be \$105,952.

The City maintains a self-insured Health Insurance Fund, which is also treated as a Proprietary Fund. It is considered an “Internal Service Fund”. The City’s health insurance is one of its largest line item expenses. We had no increases on January 1, 2018, 2019 or 2020, after substantial increases during the two previous years. Also, we are estimating no increase in our rates effective January 1, 2021. Effective May 1, 2016, we transferred our health insurance coverage for 56 retirees to Medicare Plan F coverage and have since transferred additional retirees to this plan. We are projecting a working fund balance of \$1,801,144 on April 30, 2021.

The Public Utilities - Water Fund operates the water distribution system of the City. The Water Fund is projected to have an operating surplus of \$332,451 for 2020-2021. The Water Fund is projecting a working fund balance for operations at April 30, 2021 of \$689,208 and total expenditures for operations of \$3,759,156.

The Public Utilities - Sewer Fund operates the sanitary sewer systems of the City. The Sewer Fund was separated out of the previous Public Utilities Fund on May 1, 2018, leaving the Water Fund to operate separately as well. The Sewer Fund is projected to have an operating deficit of \$443,030 for 2020-2021, a working fund balance for operations at April 30, 2021 of \$548,916 and total expenditures for operations of \$3,388,162.

In order to arrive at the working fund balances above, we have projected an operating transfer from the Water Fund to the Sewer Fund in the amount of \$332,000 to partially offset the operating deficit of the Sewer Fund.

We have restricted Water and Sewer revenue from a 3% rate increase on May 1, 2009 and 3% rate increases on November 1, 2009, 2010, 2011 and 2012 that have been restricted by the City Council for capital, infrastructure and related debt service expenses. These funds are maintained and accounted for in the Water Fund.

Effective November 1, 2016, and each November 1 since then, an additional 2% increase in water and sewer rates was implemented and was also restricted by the City Council for capital, infrastructure, and related debt service expenses. These funds are being separately accounted for in the Water and Sewer Funds.

We are proposing \$5.465 million of capital expenses, infrastructure improvements and related debt service expenses in the Water Fund for 2020-2021. In the Sewer Fund, that amount is \$4.160 million.

There is no increase in the Water Fund and a 5% increase in the Sewer Fund rates for operations proposed in this budget effective the first day of the month occurring sixty days after expiration of the Governor’s order that non-essential businesses remain closed. The City went three years prior to this year with no increase in the rates for operations.

Originally, approximately 10% of the 2012 General Obligation Bonds were allocated to the then existing Public Utilities fund, and have all been spent as of April 30, 2019.
